 "Tim Adams has long been a mainstay of Aussie Gris, and this is as accurate and delightful as it comes. Pure pear and rose water in a succulent, spicy fleshy style that exemplifies Gris. The bright acidity of this cool season, a glint of residual sweetness and uber finetuned phenolic texture are masterfully united on a long and friendly finish. 94/100 Tysen Stetler

Catalina Sounds Pinot Gris

 NORMALLY \$27.99
 An endearing and layered wine, with diverse aromatics of nougat, nashi pear, vanilla custard and white flowers. The palate is generous, where ripe fruit and texture create richness, yet balance with very fine minerality and a touch of residual sugar to bring the wine to a memorable finish.

De Bortoli Blue Gris
\$15.99 SINGLE
 NORMALLY \$17.99
 Aromatic Pinot Gris characters of ripe pear, stone fruit and citrus. Textural flavours with apple and mandarin, soft acidity, gentle classic 'Gris' style.

The Tread Softly Forest has restored vital habitat for hundreds of wildlife species and has begun to restore a precious ecosystem comprised of unique biodiversity. It is so exciting to see the combined work of Tread Softly and Carbon Neutral and the fact that these trees capture carbon from the atmosphere as they grow, cleaning the air, and improving soil and water quality".

Laura Wells, Tread Softly Ambassador & Environmentalists

Tread Softly is a range of moderate alcohol, modern wines that are lighter on the environment and on your palate. Not only are the wines naturally lower in alcohol, the wines are also crafted with minimal impact to the environment through expert vineyard and water management. In addition, for every six bottles of Tread Softly sold, we will plant an Australian native tree in a regeneration program in the Yarra Yarra biodiversity corridor in WA. This is a powerful program seeking to give back to the environment that we can often too readily take away from. The Tread Forest has now grown to over 1.3 Million trees planted... and still counting!

PIERRE D'AMOUR PINOT GRIS / ROSE
